BUSINESS GROWTH PLAN

This is a monthly subscription-based package offering all essential business services in one place.

ELIGIBILITY

- This plan is only for new small businesses and startups.
- Business branding & setup is mandatory before subscribing to Business Growth Plan.

SERVICES INCLUDED IN BASIC PLAN:

- Social Media Management: Up to 2 platforms only.
- Content Creation: 15 basic posts/month, same size image format.
- Free Advertising: Meta-based WhatsApp lead ads, with a spend cap of ₹3,000/month.
- Software Tools: Provided based on team size and needs. Custom Software/Paid APIs not included.
- Support: Provided via Phone Call, WhatsApp, Any Desk, Webinar, Google Meet.

WHY CHOOSE THIS PLAN?

Cost-efficient
(Save 60% or more monthly)

No need to hire
separate marketers,
designers, or IT staff

Professional tools &
expert support under
one roof

Focus on growing your
business while we
handle the rest

Save ₹20,000 and get free business setup
and branding with a quarterly subscription.

BUSINESS BRANDING & IT SETUP (INCLUDES)

- Branding: You will get a business logo, social media banner, 5 promotion posters, and a business card.
- Company Catalogue: A company profile PDF (maximum 7 pages) with business details.
- Explainer Video: A short company video (up to 2 minutes) that explains about your business.
- Website: A basic website. You can choose one design from ready-made templates.
- WhatsApp Business Setup: WhatsApp Business profile setup + free catalogue of 3 products/services.
- Google My Business: Profile setup + 3 free posts included.
- Directory Listing: Profile setup on directory websites (only free plan). We will add up to 3 products/services.
- Marketplace Listing: Company profile setup on marketplace websites (only free plan). Includes 3 free product/service listings.
- Integration Setup: We will connect free software integrations. If a paid API is needed, you have to pay the third-party charges.
- Meta Business Setup: Free, if your documents are ready.
- Legal Work: Only Udyam Aadhar registration (for Indian businesses).
- Spreadsheet Templates: Free custom templates for CRM and Accounts.
- Business Email: Up to 3 business emails included.
- Social Media Setup: Setup for Instagram, Facebook Page, LinkedIn Company Page, and Twitter profile.
- Software Setup: Basic software setup & integration. (You must upload your own data like customer, vendor, and product/service details).
- VCard: Online VCard setup (only digital card). NFC card not included. You must add your own product/service details.

ALL SERVICES AND SOFTWARE SOLUTIONS

We provide a wide range of IT services and software solutions for businesses, but all these services are included as part of a comprehensive business growth plan. We do not offer any of these services individually.
